Ready Set GO!! Meetings are closed ACA meetings for introducing the ACA 12 Steps and the ACA program over a four week period. Ready Set GO!! is for newer ACA members to become acquainted with the ACA Twelve Steps. RSG is good preparation to do the ACA 12 Step Workbook when a member feels ready. The experienced member may like to refresh their recovery.

The material is taken from our Big Red Book and our ACA 12 Step Workbook. It requires those in attendance to listen to the material with an open mind and an open heart and in good faith with a desire to learn about ACA recovery. Ready Set GO!! can be taken over and over again to get more out of it. Requests will be made to volunteer to be a Sharing Partners for the 4 weeks. (NEW: Week 5 RSG Inner Child Workshop)

Go to westgreatlakesaca.org to print the material for the meetings only print pages 25 through 107 for the RSG meetings. If you have no computer and cannot view the material you may be OK just listening. When the material is no longer available on the West Great Lakes ACA IG website just email Toni at acatoni5617@comcast.net and you will receive the link with the material. Browse through the other parts of RSG. Feel free to send comments to litstaff@adultchildren.org
